Getting Started with Navigation (10.00 am to 4.00 pm)

Never used a map before - then this is the day for you.

These days are designed for people who want to learn the basics of navigation.

Basic Map skills and just using a compass to orientate yourself, planning a walk using those skills and safety on the hills. Meeting up at the Penyghent Cafe in Horton-in-Ribblesdale and then walking in the area.

Bring a packed lunch with you and walking kit appropriate for the weather on the day.

Map, compass and all safety kit supplied for the day.

Developing Your Compass Skills (10.00 am to 4.00 pm)

Understand how to use a map and the basics of navigation but never really used a compass before - then this is the day for you?

These days are designed for people who want to learn the basics of using a compass.

Using a compass to orientate the map, to take and follow bearings from the map and from the ground and to help you relocate. Planning a walk using these skills and safety on the hills.

Meeting up at the Penyghent Cafe in Horton-in-Ribblesdale and then walking in the area.

Bring a packed lunch with you and walking kit appropriate for the weather on the day.

Map, compass and all safety kit supplied for the day.

Walking with a GPS Days (10.00 am to 4.00 pm)

Do you have a GPS which you have not really used much? Do you have a phobia about manuals?

Do you want to know if you would find a GPS useful? Then this is the day for you

These days are designed for people who want to learn the basics of a GPS while on a walk.

Meeting at Hornby Laithe for tea/coffee and after an introduction to how the GPS works we will go for a walk in the area with our GPS and see the practical advantages. The day will run from 10.00 am until 3.30 - 4.00 pm at the latest.

We can loan you a GPS and map for the day or bring your own and learn how to use it. Bring a packed lunch with you and walking kit appropriate for the weather on the day.

SAFETY ON THE HILLS (10.00 am to 4.00 pm)

Happy about your navigation skills but need to gain some confidence around your knowledge of personal safety when out walking on the hills – Then this is the day for you.

These days will be very practical and look at planning and preparation for going into remoter areas. Weather and how it effects you and the people walking with you. Clothing – appropriate and inappropriate and what to take with you in your rucksack. Simple procedures for unforeseen incidents e.g. medical alerts or small accidents, Knowing who and how to call for assistance if needed, Looking at scenarios of real incidents dealt with by the rescue team and how you can learn from them. We will be outdoors for most of the time.

Bring a packed lunch with you and walking kit appropriate for the weather on the day. Map, compass and all safety kit supplied for the day.
